Building Blocks Early Learning Center Receives 2016 Best of Wilton Award

Wilton Award Program Honors the Achievement

WILTON October 5, 2016 -- Building Blocks Early Learning Center has been selected for the 2016 Best of Wilton Award in the Preschool category by the Wilton Award Program.

Each year, the Wilton Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Wilton area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Wilton Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Wilton Award Program and data provided by third parties.
